

Dear Local Business Owner,

The Raymond Community Association (RCA) is a 501(c)(3) nonprofit organization dedicated to strengthening our community through meaningful programs and events. Each year, the RCA proudly awards scholarships to local high school students, oversees and maintains the facilities at Footman Park, and hosts cherished traditions such as the annual Raymond Parade.

As we begin planning for the 2026 Raymond Parade, we invite you to support this event through a sponsorship or raffle donation. Contributions help make the parade possible while also supporting the broader mission of the RCA to invest in our youth, care for shared community spaces, and bring neighbors together.

Sponsorships may include a combination of monetary contributions and items for our raffle or silent auction to be held at the Raymond Parade on April 18th. All raffle donations must include a stated monetary value. Although we accept any size donations, our sponsorship levels for 2026 are:

- Granite – Under \$100
- Bronze – \$100- included on the Bronze Donor sign at the parade
- Silver – \$250- includes sign at the parade with your logo or name
- Gold – \$500- includes large sign at the parade with your logo or name

As a 501(c)(3) nonprofit, all donations are tax-deductible to the extent allowed by law. Donors will be recognized based on sponsorship level and may include:

- Announcements throughout parade day
- Banners or signage displayed during the parade and/or at community locations
- Recognition on the Raymond Community Association website
- Year-round acknowledgment as a supporter of RCA programs and events

Your support directly impacts our community—helping fund scholarships, maintain Footman Park, and ensure the Raymond Parade remains a vibrant, family-friendly celebration. We would be honored to recognize your contribution and include you among our valued supporters.

If you are interested in donating or would like additional information, please contact us at rca93653@gmail.com.

Sincerely,
Raymond Community Association
